

Magnetic C-Profile

Suitable for the clear view on racks, on containers as well as in the complete storage sector. Easy insertion of the paper-inlay into the profile and also easy substitution. The clear transparent film offers a good protection before dirt and dust. Hint: transparent film and paper-inlay are enclosed in enough quantity as a bulk stock.

- Delivered on a roll for self cutting
- includes a paper-inlay and a transparent film
- individual labelling
- good protection before dirt and dust
- made out of flexible magnetic foil
- length: 50 m
- Color: Black
