# EICHNER

EICHNER Securitystickers

EICHNER Securitystickers help you to adapt your conventional service boards to the current data protection requirements. The pixelated films are self-adhesive and can be individually tailored to the dimensions of your service boards. On the back you will find pattern lines to customize the sticker to fit the different EICHNER service boards. So you and your customers are safe in data protection!

• suitable for EICHNER service boards
• self-adhesive
• with cutting templates
• opaque and robust
• Color: Printed
