

Self adhesive magnetic frame

With these practical magnetic EICHNER magnetic frames, you can present your information in an eye-catching and clear manner. The front of the magnetic frame is hinged and so information sheets can be exchanged quickly and easily. The coloured border is self-adhesive on the back and therefore sticks to all smooth surfaces. Annoying searching and repurchasing for magnets, cumbersome removal of adhesive residues or the annoying punctures of pins in the wall are a thing of the past. The double-sided readable frame for use on glass doors adheres to all ferrous metal surfaces.

- Format DIN A4
- Made of non-glare foil
- With strong magnetic strips
- Front can be opened and filled, can be closed magnetically
- Outer dimensions: 240 x 330 mm
- PU: 5 pcs
- MOQ: 5 pcs
