

Key safe with combination lock and lightning

Key safe for wall mounting, including 4-digit-combination lock, for properties like holiday apartments and small hotels. For a secure handover of the keys to the guest.

Suitable for indoor- and outdoor-use. Can also be used in car dealerships for storing car keys.

Lightning is turned on automatically as soon as the slide is opened.

- · housing made of zinc
- resettable 4-digit combination lock
- battery and mounting material included
- plastic protection from weather-effects
- Color: Black
- PU: 1 pcs
- MOQ: 1 pcs
