

Roof sign with number

Roof sign with number with magnetic to fix on the roof. How to notice which car is next, what to do on it, when it is ready for the final checking and to which customer it belongs? Quite simple! With the roof signs of EICHNER. The numbers (from single-digit up to triple-digit) are available in different colors, the meaning of the color you can define for yourself, for example blue = defect in paint work, yellow = inspection, green = ready for final checking. The number establishes the reference to the customer. Note: the roof sign is also available with suction cup.
