

Wall Organizer "Big" for DIN A4

The wall organizer "Big" is the ideal solution for organizing documentation, orders, or similar materials, and is perfectly suited for use in workshops, offices, or warehouses. The system consists of a base module that is mounted to the wall and can hold up to ten colored storage trays. These trays are specifically designed for order sleeves and documentation in DIN A4 format, with a maximum depth of 34 mm, offering plenty of space for bulky documents. Thanks to the different colors of the trays, they can be used to structure according to allocation or priority, ensuring optimal organization. The wall organizer is made from durable, impact-resistant ABS material, ensuring longevity and resilience. Optional labeling clips can also be attached to the trays to further improve clarity. In addition to the standard version, the wall organizer is also available in a flat version suitable for both DIN A4 and DIN A5 documents, making it adaptable to individual space requirements.
