

Card-board

The card board is available with 1, 2 and 3 columns as well as 10 or 25 insert slots for DIN A4 vertical-slips. The visible border off the receipt amounts to 40mm and thus enables quick identification. The two and three-column segments have separating bars, the depth of the individual slots is 6mm. The optional index segment serves to simplify the planning according to weekdays, personnel or production. The boards can be combined as required. Each board has the corresponding magnetic tags for labelling. The tags can also be ordered separately. The board can also be quickly and easily mounted onto a wall using a wall-mount profile rail.
